6 SERVICE SYSTEM REDESIGN

7 Section 1. ADULT DISABILITY SERVICES SYSTEM
8 REDESIGN.

9 1. For the purposes of this section, "disability
10 services" means services and other support available
11 to a person with mental illness or an intellectual
12 disability or other developmental disability.

13 2. It is the intent of the general assembly to
14 redesign the system for adult disability services to
15 implement all of the following:

16 a. Shifting the funding responsibility for the
17 nonfederal share of adult disability services paid for
18 by the Medicaid program, including but not limited to
19 all costs for the state resource centers, from the
20 counties to the state.

21 b. Reorganizing adult disability services not paid
22 for by the Medicaid program into a system administered
23 on a regional basis in a manner that provides multiple
24 local points of access to adult disability services
25 both paid for by the Medicaid program and not paid for
26 by the Medicaid program.

27 c. Replacing legal settlement as the basis for
28 determining financial responsibility for publicly
29 funded disability services by determining such
30 responsibility based upon residency.

31 3. a. The legislative council is requested to
32 authorize an interim committee on mental health and
33 disability services for the 2011 legislative interim to
34 commence as soon as practicable. The purpose of the
35 interim committee is to closely engage with, monitor,
36 and make recommendations concerning the efforts of
37 the department of human services and workgroups of
38 stakeholders and experts created by the department
39 to develop detailed proposals for the redesign of
40 disability services pursuant to this Act, particularly
41 with regard to the identification of core services.

42 b. (1) It is intended that the interim committee
43 members consist of equal numbers of legislators from
44 both chambers and from both political parties and
45 for staff from the office of the governor and the
46 departments of human services and public health to be
47 designated to serve as ex officio, nonvoting members.
48 It is also requested that legislators serving on the
49 interim committee and other interested legislators
50 be authorized to participate in the meetings of the

1 workgroups and subcommittees addressed in this Act.

2 (2) In addition to addressing workgroup
3 recommendations, it is intended that the interim
4 committee address property tax issues, devise a means
5 of ensuring the state maintains its funding commitments
6 for the redesigned services system, recommend revisions
7 in the requirements for mental health professionals
8 who are engaged in the involuntary commitment and
9 examination processes under chapter 229, develop
10 proposed legislation for amending Code references to
11 mental retardation to instead refer to intellectual
12 disabilities, and consider issues posed by the
13 July 1, 2013, repeals of county disability services
14 administration and funding provisions in 2011 Iowa
15 Acts, Senate File 209.

16 (3) It is intended that the interim committee
17 shall receive and make recommendations concerning the
18 detailed and final proposals submitted by workgroups
19 during the 2011 legislative interim for consideration
20 by the general assembly in the 2012 legislative
21 session.

22 c. (1) The department of human services shall
23 design the workgroup process to facilitate effective
24 decision making while allowing for a broad array of
25 input. The workgroup process shall begin as soon after
26 the effective date of this Act as is practicable. The
27 membership of workgroups and subcommittees involved
28 with the process shall include consumers, service
29 providers, and advocates and provide for adequate
30 representation by both rural and urban interests.
31 The department of public health shall be represented
32 on those workgroups and subcommittees with a focus
33 relevant to the department.

34 (2) The detailed and final proposals developed
35 by the workgroups during the 2011 interim shall
36 be submitted to the interim committee on or before
37 December 9, 2011.

38 d. At least one workgroup shall address redesign
39 of the adult mental health system and at least
40 one workgroup shall address redesign of the adult
41 intellectual and other developmental disability system.
42 The workgroup process shall engage separate workgroups
43 and subcommittees enumerated in this Act and may
44 involve additional bodies in the process as determined
45 by the department.

46 e. It is intended that interim committee members
47 be engaged, to the extent possible, in workgroup
48 deliberations and begin formal discussions of
49 preliminary proposals developed by the workgroups
50 beginning in October.

1 4. The workgroup process implemented by the
2 department of human services pursuant to subsection
3 3 shall result in the submission of proposals for
4 redesign of adult disability services that include but
5 are not limited to all of the following:
6 a. Identifying clear definitions and requirements
7 for the following:
8 (1) Eligibility criteria for the individuals to be
9 served.
10 (2) The array of core services and other support to
11 be included in regional adult disability services plans
12 and to be delivered by providers based on individual
13 needs and medical necessity and in a manner that
14 promotes cost-effectiveness, uniformity, accessibility,
15 and best practice approaches. The array shall
16 encompass and integrate services and other support paid
17 for by both the Medicaid program and other sources.
18 (3) Outcome measures that focus on consumer needs,
19 including but not limited to measures addressing
20 individual choice, empowerment, and community.
21 (4) Quality assurance measures.
22 (5) Provider accreditation, certification,
23 or licensure requirements to ensure high quality
24 services while avoiding unreasonable expectations and
25 duplicative surveys.
26 (6) Input in regional service plans and delivery
27 provisions by consumer and provider representatives.
28 The input process shall engage local consumers,
29 providers, and counties in developing the regional
30 provisions.
31 (7) Provisions for representatives of the regional
32 system and the department to regularly engage in
33 discussions to resolve Medicaid and non-Medicaid
34 issues involving documentation requirements, electronic
35 records, reimbursement methodologies, cost projections,
36 and other measures to improve the services and other
37 support available to consumers.
38 b. Incorporating strategies to allow individuals
39 to receive services in accordance with the principles
40 established in *Olmstead v. L.C.*, 527 U.S. 581 (1999),
41 in order for services to be provided in the most
42 community-based, least restrictive, and integrated
43 setting appropriate to an individual's needs.
44 c. Continuing the department's leadership role
45 in the Medicaid program in defining services covered,
46 establishing reimbursement methodologies, providing
47 other administrative functions, and engaging in federal
48 options for program enhancements that are beneficial to
49 consumers and the state such as medical or behavioral
50 health homes.

1 d. Implementing mental health crisis response
2 services statewide in a manner determined to be most
3 appropriate by each region.

4 e. Implementing a subacute level of care to provide
5 short-term mental health services in a structured
6 residential setting that supplies a less intensive
7 level of care than is supplied by acute psychiatric
8 services.

9 f. Reviewing best practices and programs utilized
10 by other states in identifying new approaches for
11 addressing the needs for publicly funded services for
12 persons with brain injury. The proposals regarding
13 these approaches may be submitted after the workgroup
14 submission date set out in subsection 3.

15 g. Developing a proposal for addressing service
16 provider shortages. The development of the proposal
17 shall incorporate an examination of scope of practice
18 limitations and barriers to recruiting providers,
19 including but not limited to variation in health
20 insurance payment provisions for the services provided
21 by different types of providers.

22 h. Developing a proposal for service providers
23 addressing co-occurring mental health, intellectual
24 disability, brain injury, and substance abuse
25 disorders. Each workgroup or subcommittee shall
26 address co-occurring disorders as appropriate to the
27 focus of the workgroup or subcommittee. The overall
28 proposal may be developed by a body consisting of
29 members from other workgroups or subcommittees. The
30 proposal shall also provide options, developed in
31 coordination with the judicial branch and department
32 of human services workgroup, for implementation
33 of the provision of advocates to patients with
34 substance-related disorders.

35 i. Developing a proposal for redesign of publicly
36 funded children's disability services, including but
37 not limited to the needs of children who are placed
38 out-of-state due to the lack of treatment services
39 in this state. The proposal shall be developed by a
40 separate workgroup or subcommittee and in addition to
41 the other interests and representation required by this
42 section, the membership shall include education system
43 and juvenile court representatives. The preliminary
44 findings and recommendations, and the initial proposal
45 shall be submitted by the October and December 2011
46 dates required for other workgroups and subcommittees.
47 The initial proposal developed during the 2011
48 legislative interim shall include an analysis of gaps
49 in the children's system and other planning provisions
50 necessary to complete the final proposal for submission

1 on or before December 10, 2012.

2 j. Developing a proposal for adult disability
3 services not paid for by the Medicaid program to be
4 administered on a regional basis in a manner that
5 provides multiple local points of access for consumers
6 needing adult disability services, regardless of
7 the funding sources for the services. The proposal
8 shall be integrated with the other proposals under
9 this subsection and shall be developed by a separate
10 workgroup or subcommittee engaging both urban and rural
11 county supervisors and central-point-of-coordination
12 administrators and other experts. The considerations
13 for inclusion in the proposal for forming regional
14 entities shall include but are not limited to all of
15 the following:

16 (1) Modifying the relevant provisions of chapter
17 28E for use by counties in forming regional entities
18 and addressing other necessary contracting measures.

19 (2) Providing for performance-based contracting
20 between the department of human services and regional
21 entities to ensure the existence of multiple, local
22 points of access for adult disability services
23 eligibility, intake, and authorization, service
24 navigation support, and case coordination or case
25 management, regardless of the funding sources for the
26 services.

27 (3) Developing a three-year service plan and annual
28 update to meet the needs of consumers.

29 (4) Providing for the regional entities to
30 implement performance-based contracts, uniform cost
31 reports, and consistent reimbursement practices and
32 payment methodologies with local providers of services
33 not paid for by the Medicaid program.

34 (5) Providing for the regional entities to
35 determine the Medicaid program targeted case managers
36 to serve the regions.

37 (6) Providing for the regional entities and the
38 department of human services to regularly coordinate
39 and communicate with one another concerning the adult
40 disability services paid for by the Medicaid program so
41 that services paid for by the program and the regional
42 entities are integrated and coordinated.

43 (7) Identifying sufficient population size to
44 attain economy of scale, adequate financial resources,
45 and appropriate service delivery.

46 (8) Addressing full participation in regional
47 entities by counties.

48 (9) Including dispute resolution provisions for
49 county-to-county relationships, county-to-region
50 relationships, and region-to-state relationships.

1 (10) Providing for a consumer appeal process that
2 is clear, impartial, and consistent, with consideration
3 of an option that appeals beyond the regional level
4 should be to a state administrative law judge.

5 (11) Addressing financial management provisions,
6 including appropriate financial reserve levels.

19 assistance from psychiatric consultants, that has the
20 capacity to provide outpatient services for the region
21 and has provided evidence of a commitment to provide
22 outpatient services for the region.

23 (d) Requiring a region to encompass or have
24 reasonably close proximity to a hospital with an
25 inpatient psychiatric unit or to a state mental health
26 institute, that has the capacity to provide inpatient
27 services for the region and has provided evidence of
28 a commitment to provide inpatient services for the
29 region.

30 (e) Requiring an administrative structure utilized
31 by a region to have clear lines of accountability and
32 to serve as a lead agency with shared county staff or
33 other means of limiting administrative costs to not
34 more than five percent of expenditures.

35 5. The target date for full implementation of
36 the plan and implementation provisions described in
37 subsections 3 and 4 shall be July 1, 2013, provided,
38 however, that any expansion of services is subject to
39 available funding.

40 Sec. 2. CONTINUATION OF WORKGROUP BY JUDICIAL
41 BRANCH AND DEPARTMENT OF HUMAN SERVICES. The judicial
42 branch and department of human services shall continue
43 the workgroup implemented pursuant to 2010 Iowa Acts,
44 chapter 1192, section 24, subsection 2, to improve
45 the processes for involuntary commitment for chronic
46 substance abuse under chapter 125 and for serious
47 mental illness under chapter 229, and shall coordinate
48 its efforts with the legislative interim committee and
49 other workgroups initiated pursuant to this Act. The

12 who was not initially taken into custody but declined
13 to be examined pursuant to a previous court order;
14 and for civil commitment prescreening. Preliminary
15 recommendations shall be submitted to the legislative
16 interim committee in October 2011, as specified by the
17 interim committee. Additional stakeholders shall be
18 added as necessary to facilitate the workgroup efforts.
19 The workgroup shall complete deliberations and submit
20 a final report to the legislative interim committee
21 providing findings and recommendations on or before
22 December 9, 2011.

23 Sec. 3. SERVICE SYSTEM DATA AND STATISTICAL
24 INFORMATION INTEGRATION. In coordination with
25 the legislative interim committee and workgroups
26 initiated pursuant to this Act, representatives of the
27 department of human services, department of public
28 health, and the community services network hosted by

30 implementation provisions for an integrated data and
31 statistical information system for mental health,
32 disability services, and substance abuse services.
33 The implementation provisions shall incorporate
34 federal data and statistical information requirements.
35 When completed, the departments and affiliate shall

47 associated with implementation of this Act:
48 \$ 250,000

49 Notwithstanding section 8.47 or any other provision
50 of law to the contrary, the department may utilize a

1 sole source approach to contract to support planning
2 and other processes associated with implementation
3 of this Act. Notwithstanding section 8.33, moneys
4 appropriated in this section that remain unencumbered
5 or unobligated at the close of the fiscal year shall
6 not revert but shall remain available for expenditure
7 for the purposes designated until the close of the
8 succeeding fiscal year.

43 shall not exceed four hundred thirty. Conversion of
44 beds under this subsection shall not require a revision
45 of the certificate of need issued for the psychiatric
46 institution making the conversion. Beds for children
47 who do not reside in this state and whose service costs
48 are not paid by public funds in this state are not
49 subject to the limitations on the number of beds and
50 certificate of need requirements otherwise applicable

14 and integration of PMIC services to serve the best
15 interests of children within the context of a redesign
16 of the delivery of publicly funded children's mental
17 health services in this state.

18 b. Support the development of specialized programs
19 for children with high acuity requirements whose needs
20 are not met by Iowa's current system and must be served
21 in out-of-state placements.

22 c. Transition PMIC services while providing
23 services in a manner that applies best practices and is
24 cost-effective.

25 3. The department of human services, in
26 collaboration with PMIC providers, shall develop a
27 plan for transitioning the administration of PMIC
28 services to the Iowa plan. The transition plan

33 levels of PMIC care, providing for performance and
34 quality improvement technical assistance to providers,
35 identifying methods and standards for credentialing
36 providers of specialized programs, using innovative
37 reimbursement incentives to improve access while
38 building the capacity of less intensive levels of care,
39 and providing implementation guidelines.

40 4. a. The transition plan shall address the
41 development of specialized programs to address the

5 coordination for children and families in need of
6 services from the children's mental health system.
7 (2) Integrating the children's mental health
8 waiver services under the Medicaid program with
9 other services addressed by the transition plan as a
10 means for supporting the transition plan and ensuring
11 availability of choices for community placements.
12 (3) Identifying admission and continued stay
13 criteria for PMIC providers.
14 (4) Evaluating changes in licensing standards for
15 PMICs as necessary to ensure that the standards are
16 aligned with overall system goals.
17 (5) Evaluating alternative reimbursement and
18 service models that are innovative and could support
19 overall system goals. The models may include but are
20 not limited to accountable care organizations, medical
21 or other health homes, and performance-based payment
22 methods.
23 (6) Evaluating the adequacy of reimbursement at all
24 levels of the children's mental health system.
25 (7) Developing profiles of the conditions and
26 behaviors that result in a child's involuntary
27 discharge or out-of-state placement. The plan shall
28 incorporate provisions for developing specialized
29 programs that are designed to appropriately meet the
30 needs identified in the profiles.
31 (8) Evaluating and defining the appropriate array
32 of less intensive services for a child leaving a
33 hospital or PMIC placement.
34 (9) Evaluating and defining the standards for
35 existing and new PMIC and other treatment levels.
36 5. a. The department shall establish a
37 transition committee that includes departmental
38 staff representatives for Medicaid, child welfare,

40 the Iowa plan, the department of inspections and
41 appeals, a representative of each licensed PMIC, the
42 executive director of the coalition of family and
43 children's services in Iowa, a person with knowledge
44 and expertise in care coordination and integration
45 of PMIC and community-based services, two persons
46 representing families affected by the children's mental
47 health system, and a representative of juvenile court
48 officers.
49 b. The transition committee shall develop the plan
50 and manage the transition if the plan is implemented.

1 The plan shall be developed by December 31, 2011,
2 and shall be submitted to the general assembly by
3 January 16, 2012. The submitted plan shall include
4 an independent finding by the director of human
5 services, in consultation with the office of the
6 governor and the chairpersons and ranking members of
7 the joint appropriations subcommittee on health and
8 human services, that the plan meets the intent of the
9 general assembly under this section. Unless otherwise
10 directed by enactment of the general assembly the
11 department and the transition committee may proceed
12 with implementation of the submitted plan on or before
13 July 1, 2012.

14 c. The transition committee shall continue to meet
15 through December 31, 2013, to oversee transition of
16 PMIC services to the Iowa plan.

17 6. The director of the Medicaid enterprise of the
18 department of human services shall annually report on
19 or before December 15 to the chairpersons and ranking
20 members of the joint appropriations subcommittee on
21 health and human services through December 15, 2016,
22 regarding the implementation of this section. The
23 content of the report shall include but is not limited
24 to information on children served by PMIC providers,
25 the types of locations to which children are discharged
26 following a hospital or PMIC placement and the
27 community-based services available to such children,
28 and the incidence of readmission to a PMIC within 12
29 months of discharge. The report shall also recommend
30 whether or not to continue administration of PMIC
31 services under the Iowa plan based upon the quality
32 of service delivery, the value of utilizing the Iowa
33 plan administration rather than the previous approach
34 through the Medicaid enterprise, and analysis of the
35 cost and benefits of utilizing the Iowa plan approach.

36 DIVISION IV

37 COMMUNITY MENTAL HEALTH CENTERS

38 COMMUNITY MENTAL HEALTH CENTERS — CATCHMENT AREAS

39 Sec. 10. NEW SECTION. 230A.101 **Services system** 40 **roles.**

41 1. The role of the department of human services,
42 through the division of the department designated as
43 the state mental health authority with responsibility
44 for state policy concerning mental health and
45 disability services, is to develop and maintain
46 policies for the mental health and disability services
47 system. The policies shall address the service
48 needs of individuals of all ages with disabilities
49 in this state, regardless of the individuals' places
50 of residence or economic circumstances, and shall be

1 consistent with the requirements of chapter 225C and
2 other applicable law.

3 2. The role of community mental health centers in
4 the mental health and disability services system is
5 to provide an organized set of services in order to
6 adequately meet the mental health needs of this state's
7 citizens based on organized catchment areas.

8 Sec. 11. NEW SECTION. 230A.102 Definitions.
9 As used in this chapter, unless the context
10 otherwise requires:

15 center catchment area identified in accordance with
16 this chapter.

17 3. "Community mental health center" or "center"
18 means a community mental health center designated in
19 accordance with this chapter.

20 Sec. 12. NEW SECTION. 230A.103 Designation of
21 community mental health centers.

22 1. The division, subject to agreement by any
23 community mental health center that would provide
24 services for the catchment area and approval by the
25 commission, shall designate at least one community
26 mental health center under this chapter to serve as
27 lead agency for addressing the mental health needs of
28 the county or counties comprising the catchment area.
29 The designation process shall provide for the input
30 of potential service providers regarding designation
31 of the initial catchment area or a change in the
32 designation.

33 2. The division shall utilize objective criteria
34 for designating a community mental health center
35 to serve a catchment area and for withdrawing such

37 outlining the criteria. The criteria shall include but
38 are not limited to provisions for meeting all of the
39 following requirements:

40 a. An appropriate means shall be used for

42 serve all ages of the targeted population within the
43 catchment area with minimal or no service denials.

44 b. An effective means shall be used for determining
45 the relative ability of a prospective designee to
46 appropriately provide mental health services and other
47 support to consumers residing within a catchment area
48 as well as consumers residing outside the catchment
49 area. The criteria shall address the duty for a
50 prospective designee to arrange placements outside the

1 catchment area when such placements best meet consumer
2 needs and to provide services within the catchment area
3 to consumers who reside outside the catchment area when
4 the services are necessary and appropriate.

5 3. The board of directors for a designated

44 b. A formal review process shall be used in

46 that justify designating more than one center to

50 more than one center.

1 c. Criteria shall be provided that would allow

5 division as of October 1, 2010. The criteria shall
6 require a determination that all such centers would be

48 persons' community integration and stability.

49 *f. Consultation services.* Consultation services
50 may include provision of professional assistance and

1 the state funding provided to centers be a sufficient

3 basic mental health and safety needs of the residents
4 of the catchment area served by each center to be
5 provided regardless of individual ability to pay for
6 the services and support.

7 3. While a community mental health center must
8 comply with the core services requirements and other
9 standards associated with designation, provision of
10 services is subject to the availability of a payment

13 1. The division shall recommend and the commission
14 shall adopt standards for designated community

47 affiliates to employ staff who are appropriately
48 credentialed or meet other qualifications in order to
49 provide services.

1 governed by a board of directors which adequately
2 represents interested professions, consumers of
3 the center's services, socioeconomic, cultural, and
4 age groups, and various geographical areas in the
5 catchment area served by the center. If organized
6 as a for-profit corporation, the corporation's policy
7 structure shall incorporate such representation.

8 c. Arrange for the financial condition and
9 transactions of the community mental health center to
10 be audited once each year by the auditor of state.
11 However, in lieu of an audit by state accountants,
12 the local governing body of a community mental health
13 center organized under this chapter may contract with
14 or employ certified public accountants to conduct the
15 audit, pursuant to the applicable terms and conditions
16 prescribed by sections 11.6 and 11.19 and audit format

29 shall include all of the following:

30 a. Specific time intervals for full accreditation
31 reviews based upon levels of accreditation.

44 or administrative proceeding. However, a person
45 engaged in or receiving treatment or rehabilitation
46 may authorize the disclosure of the person's name and
47 individual participation.

48 4. If a patient receiving inpatient or residential
49 care leaves a facility, the patient shall be encouraged
50 to consent to appropriate outpatient or halfway house

1 treatment. If it appears to the administrator in
2 charge of the facility that the patient is a ~~substance~~
3 ~~abuser or chronic substance abuser~~ person with a
4 substance-related disorder who requires help, the
5 director may arrange for assistance in obtaining
6 supportive services.

7 Sec. 36. Section 125.34, Code 2011, is amended to
8 read as follows:

9 **125.34 Treatment and services for intoxicated**
10 ~~persons and persons incapacitated by alcohol persons~~
11 with substance-related disorders due to intoxication and
12 substance-induced incapacitation.

13 1. ~~An intoxicated~~ A person with a substance-related
14 disorder due to intoxication or substance-induced
15 incapacitation may come voluntarily to a facility
16 for emergency treatment. A person who appears to be
17 intoxicated or incapacitated by a ~~chemical~~ substance
18 in a public place and in need of help may be taken to a
19 facility by a peace officer under section 125.91. If
20 the person refuses the proffered help, the person may
21 be arrested and charged with intoxication under section
22 123.46, if applicable.

23 2. If no facility is readily available the
24 person may be taken to an emergency medical service
25 customarily used for incapacitated persons. The
26 peace officer in detaining the person and in taking
27 the person to a facility shall make every reasonable
28 effort to protect the person's health and safety. In
29 detaining the person the detaining officer may take
30 reasonable steps for self-protection. Detaining a
31 person under section 125.91 is not an arrest and no
32 entry or other record shall be made to indicate that
33 the person who is detained has been arrested or charged
34 with a crime.

35 3. A person who arrives at a facility and
36 voluntarily submits to examination shall be examined
37 by a licensed physician as soon as possible after the
38 person arrives at the facility. The person may then
39 be admitted as a patient or referred to another health
40 facility. The referring facility shall arrange for
41 transportation.

42 4. If a person is voluntarily admitted to a
43 facility, the person's family or next of kin shall be
44 notified as promptly as possible. If an adult patient
45 who is not incapacitated requests that there be no
46 notification, the request shall be respected.

47 5. A peace officer who acts in compliance with
48 this section is acting in the course of the officer's
49 official duty and is not criminally or civilly liable
50 therefor, unless such acts constitute willful malice

1 or abuse.

2 6. If the physician in charge of the facility
3 determines it is for the patient's benefit, the patient
4 shall be encouraged to agree to further diagnosis and
5 appropriate voluntary treatment.

6 7. A licensed physician and surgeon or osteopathic
7 physician and surgeon, facility administrator, or an
8 employee or a person acting as or on behalf of the
9 facility administrator, is not criminally or civilly
10 liable for acts in conformity with this chapter, unless
11 the acts constitute willful malice or abuse.

12 Sec. 37. Section 125.43, Code 2011, is amended to
13 read as follows:

14 **125.43 Funding at mental health institutes.**

15 Chapter 230 governs the determination of the
16 costs and payment for treatment provided to ~~substance~~
17 ~~abusers or chronic substance abusers~~ persons with
18 substance-related disorders in a mental health
19 institute under the department of human services,
20 except that the charges are not a lien on real estate
21 owned by persons legally liable for support of the
22 substance abuser or chronic substance abuser person
23 with a substance-related disorder and the daily per
24 diem shall be billed at twenty-five percent. The
25 superintendent of a state hospital shall total only
26 those expenditures which can be attributed to the
27 cost of providing inpatient treatment to substance
28 ~~abusers or chronic substance abusers~~ persons with
29 substance-related disorders for purposes of determining
30 the daily per diem. Section 125.44 governs the
31 determination of who is legally liable for the cost
32 of care, maintenance, and treatment of a substance
33 ~~abuser or chronic substance abuser~~ person with a
34 substance-related disorder and of the amount for which
35 the person is liable.

36 Sec. 38. Section 125.43A, Code 2011, is amended to
37 read as follows:

38 **125.43A Prescreening — exception.**

39 Except in cases of medical emergency or
40 court-ordered admissions, a person shall be admitted
41 to a state mental health institute for substance
42 abuse treatment only after a preliminary intake and
43 assessment by a department-licensed treatment facility
44 or a hospital providing care or treatment for ~~substance~~
45 ~~abusers~~ persons with substance-related disorders
46 licensed under chapter 135B and accredited by the
47 joint commission on the accreditation of health care
48 organizations, the commission on accreditation of
49 rehabilitation facilities, the American osteopathic
50 association, or another recognized organization

1 approved by the board, or by a designee of a
2 department-licensed treatment facility or a hospital
3 other than a state mental health institute, which
4 confirms that the admission is appropriate to the
5 person's substance abuse service needs. A county board
6 of supervisors may seek an admission of a patient
7 to a state mental health institute who has not been
8 confirmed for appropriate admission and the county
9 shall be responsible for one hundred percent of the
10 cost of treatment and services of the patient.

11 Sec. 39. Section 125.44, Code 2011, is amended to
12 read as follows:

13 **125.44 Agreements with facilities — liability for**
14 **costs.**

15 The director may, consistent with the comprehensive
16 substance abuse program, enter into written
17 agreements with a facility as defined in section
18 125.2 to pay for one hundred percent of the cost of
19 the care, maintenance, and treatment of ~~substance~~
20 ~~abusers and chronic substance abusers~~ persons with
21 substance-related disorders, except when section
22 125.43A applies. All payments for state patients shall
23 be made in accordance with the limitations of this
24 section. Such contracts shall be for a period of no
25 more than one year.

26 The contract may be in the form and contain
27 provisions as agreed upon by the parties. The contract
28 shall provide that the facility shall admit and
29 ~~treat substance abusers and chronic substance abusers~~
30 persons with substance-related disorders regardless
31 of where they have residence. If one payment for
32 care, maintenance, and treatment is not made by the
33 patient or those legally liable for the patient, the
34 payment shall be made by the department directly to
35 the facility. Payments shall be made each month and
36 shall be based upon the rate of payment for services
37 negotiated between the department and the contracting
38 facility. If a facility projects a temporary cash flow
39 deficit, the department may make cash advances at the
40 beginning of each fiscal year to the facility. The
41 repayment schedule for advances shall be part of the
42 contract between the department and the facility. This
43 section does not pertain to patients treated at the
44 mental health institutes.

45 If the appropriation to the department is
46 insufficient to meet the requirements of this section,
47 the department shall request a transfer of funds and
48 section 8.39 shall apply.

49 The ~~substance abuser or chronic substance abuser~~
50 person with a substance-related disorder is legally

1 liable to the facility for the total amount of the cost
2 of providing care, maintenance, and treatment for the
3 ~~substance abuser or chronic substance abuser person~~
4 with a substance-related disorder while a voluntary or
5 committed patient in a facility. This section does not
6 prohibit any individual from paying any portion of the
7 cost of treatment.

8 The department is liable for the cost of
9 care, treatment, and maintenance of ~~substance~~
10 ~~abusers and chronic substance abusers persons with~~
11 substance-related disorders admitted to the facility
12 voluntarily or pursuant to section 125.75, 125.81,
13 or 125.91 or section 321J.3 or 124.409 only to those
14 facilities that have a contract with the department
15 under this section, only for the amount computed
16 according to and within the limits of liability
17 prescribed by this section, and only when the ~~substance~~
18 ~~abuser or chronic substance abuser person with a~~
19 substance-related disorder is unable to pay the costs
20 and there is no other person, firm, corporation, or
21 insurance company bound to pay the costs.

22 The department's maximum liability for the costs
23 of care, treatment, and maintenance of ~~substance~~
24 ~~abusers and chronic substance abusers persons with~~
25 substance-related disorders in a contracting facility
26 is limited to the total amount agreed upon by the
27 parties and specified in the contract under this
28 section.

29 Sec. 40. Section 125.46, Code 2011, is amended to
30 read as follows:

31 **125.46 County of residence determined.**

32 The facility shall, when a ~~substance abuser~~
33 ~~or chronic substance abuser person with a~~
34 substance-related disorder is admitted, or as
35 soon thereafter as it receives the proper information,
36 determine and enter upon its records the Iowa county of
37 residence of the ~~substance abuser or chronic substance~~
38 ~~abuser person with a substance-related disorder~~, or
39 that the person resides in some other state or country,
40 or that the person is unclassified with respect to
41 residence.

42 Sec. 41. Section 125.75, unnumbered paragraph 1,
43 Code 2011, is amended to read as follows:

44 Proceedings for the involuntary commitment or
45 treatment of a ~~chronic substance abuser person with~~
46 a substance-related disorder to a facility may be
47 commenced by the county attorney or an interested
48 person by filing a verified application with the
49 clerk of the district court of the county where
50 the respondent is presently located or which is

1 the respondent's place of residence. The clerk or
2 the clerk's designee shall assist the applicant in
3 completing the application. The application shall:
4 Sec. 42. Section 125.75, subsection 1, Code 2011,
5 is amended to read as follows:
6 1. State the applicant's belief that the
7 respondent is a ~~chronic substance abuser~~ person with a
8 substance-related disorder.
9 Sec. 43. Section 125.80, subsections 3 and 4, Code
10 2011, are amended to read as follows:
11 3. If the report of a court-designated physician
12 is to the effect that the respondent is not a ~~chronic~~
13 ~~substance abuser~~ person with a substance-related
14 disorder, the court, without taking further action, may
15 terminate the proceeding and dismiss the application on
16 its own motion and without notice.
17 4. If the report of a court-designated physician
18 is to the effect that the respondent is a ~~chronic~~
19 ~~substance abuser~~ person with a substance-related
20 disorder, the court shall schedule a commitment
21 hearing as soon as possible. The hearing shall be
22 held not more than forty-eight hours after the report
23 is filed, excluding Saturdays, Sundays, and holidays,
24 unless an extension for good cause is requested by
25 the respondent, or as soon thereafter as possible if
26 the court considers that sufficient grounds exist for
27 delaying the hearing.
28 Sec. 44. Section 125.81, subsection 1, Code 2011,
29 is amended to read as follows:
30 1. If a person filing an application requests that
31 a respondent be taken into immediate custody, and the
32 court upon reviewing the application and accompanying
33 documentation, finds probable cause to believe that the
34 respondent is a ~~chronic substance abuser~~ person with
35 a substance-related disorder who is likely to injure
36 the person or other persons if allowed to remain at
37 liberty, the court may enter a written order directing
38 that the respondent be taken into immediate custody
39 by the sheriff, and be detained until the commitment
40 hearing, which shall be held no more than five days
41 after the date of the order, except that if the fifth
42 day after the date of the order is a Saturday, Sunday,
43 or a holiday, the hearing may be held on the next
44 business day. The court may order the respondent
45 detained for the period of time until the hearing is
46 held, and no longer except as provided in section
47 125.88, in accordance with subsection 2, paragraph
48 "a", if possible, and if not, then in accordance with
49 subsection 2, paragraph "b", or, only if neither of
50 these alternatives is available in accordance with

1 subsection 2, paragraph "c".

2 Sec. 45. Section 125.82, subsection 4, Code 2011,
3 is amended to read as follows:

4 4. The respondent's welfare is paramount, and the
5 hearing shall be tried as a civil matter and conducted
6 in as informal a manner as is consistent with orderly
7 procedure. Discovery as permitted under the Iowa rules
8 of civil procedure is available to the respondent. The
9 court shall receive all relevant and material evidence,
10 but the court is not bound by the rules of evidence.
11 A presumption in favor of the respondent exists, and
12 the burden of evidence and support of the contentions
13 made in the application shall be upon the person who
14 filed the application. If upon completion of the
15 hearing the court finds that the contention that the
16 respondent is a ~~chronic substance abuser~~ person with a
17 substance-related disorder has not been sustained by
18 clear and convincing evidence, the court shall deny the
19 application and terminate the proceeding.

20 Sec. 46. Section 125.83, Code 2011, is amended to
21 read as follows:

22 **125.83 Placement for evaluation.**

23 If upon completion of the commitment hearing,
24 the court finds that the contention that the
25 respondent is a ~~chronic substance abuser~~ person with
26 a substance-related disorder has been sustained by
27 clear and convincing evidence, the court shall order
28 the respondent placed at a facility or under the
29 care of a suitable facility on an outpatient basis as
30 expeditiously as possible for a complete evaluation
31 and appropriate treatment. The court shall furnish to
32 the facility at the time of admission or outpatient
33 placement, a written statement of facts setting forth
34 the evidence on which the finding is based. The
35 administrator of the facility shall report to the court
36 no more than fifteen days after the individual is
37 admitted to or placed under the care of the facility,
38 which shall include the chief medical officer's
39 recommendation concerning substance abuse treatment.
40 An extension of time may be granted for a period not
41 to exceed seven days upon a showing of good cause. A
42 copy of the report shall be sent to the respondent's
43 attorney who may contest the need for an extension of
44 time if one is requested. If the request is contested,
45 the court shall make an inquiry as it deems appropriate
46 and may either order the respondent released from
47 the facility or grant extension of time for further
48 evaluation. If the administrator fails to report to
49 the court within fifteen days after the individual is
50 admitted to the facility, and no extension of time has

1 been requested, the administrator is guilty of contempt
2 and shall be punished under chapter 665. The court
3 shall order a rehearing on the application to determine
4 whether the respondent should continue to be held at
5 the facility.

6 Sec. 47. Section 125.83A, subsection 1, Code 2011,
7 is amended to read as follows:

8 1. If upon completion of the commitment hearing,
9 the court finds that the contention that the
10 respondent is a ~~chronic substance abuser~~ person with a
11 substance-related disorder has been sustained by clear
12 and convincing evidence, and the court is furnished
13 evidence that the respondent is eligible for care
14 and treatment in a facility operated by the United
15 States department of veterans affairs or another
16 agency of the United States government and that the
17 facility is willing to receive the respondent, the
18 court may so order. The respondent, when so placed in
19 a facility operated by the United States department
20 of veterans affairs or another agency of the United
21 States government within or outside of this state,
22 shall be subject to the rules of the United States
23 department of veterans affairs or other agency, but
24 shall not lose any procedural rights afforded the
25 respondent by this chapter. The chief officer of the
26 facility shall have, with respect to the respondent
27 so placed, the same powers and duties as the chief
28 medical officer of a hospital in this state would
29 have in regard to submission of reports to the court,
30 retention of custody, transfer, convalescent leave, or
31 discharge. Jurisdiction is retained in the court to
32 maintain surveillance of the respondent's treatment and
33 care, and at any time to inquire into the respondent's
34 condition and the need for continued care and custody.

35 Sec. 48. Section 125.84, subsections 2, 3, and 4,
36 Code 2011, are amended to read as follows:

37 2. That the respondent is a ~~chronic substance~~
38 ~~abuser~~ person with a substance-related disorder who
39 is in need of full-time custody, care, and treatment
40 in a facility, and is considered likely to benefit
41 from treatment. If the report so states, the court
42 shall enter an order which may require the respondent's
43 continued placement and commitment to a facility for
44 appropriate treatment.

45 3. That the respondent is a ~~chronic substance~~
46 ~~abuser~~ person with a substance-related disorder who is
47 in need of treatment, but does not require full-time
48 placement in a facility. If the report so states,
49 the report shall include the chief medical officer's
50 recommendation for treatment of the respondent on an

1 outpatient or other appropriate basis, and the court
2 shall enter an order which may direct the respondent to
3 submit to the recommended treatment. The order shall
4 provide that if the respondent fails or refuses to
5 submit to treatment, as directed by the court's order,
6 the court may order that the respondent be taken into
7 immediate custody as provided by section 125.81 and,
8 following notice and hearing held in accordance with
9 the procedures of sections 125.77 and 125.82, may order
10 the respondent treated as a patient requiring full-time
11 custody, care, and treatment as provided in subsection
12 2, and may order the respondent involuntarily committed
13 to a facility.

14 4. That the respondent is a ~~chronic substance~~
15 ~~abuser~~ person with a substance-related disorder who is
16 in need of treatment, but in the opinion of the chief
17 medical officer is not responding to the treatment
18 provided. If the report so states, the report shall
19 include the facility administrator's recommendation
20 for alternative placement, and the court shall enter
21 an order which may direct the respondent's transfer
22 to the recommended placement or to another placement
23 after consultation with respondent's attorney and the
24 facility administrator who made the report under this
25 subsection.

26 Sec. 49. Section 125.91, subsections 1, 2, and 3,
27 Code 2011, are amended to read as follows:

28 1. The procedure prescribed by this section
29 shall only be used for ~~an intoxicated~~ a person with
30 a substance-related disorder due to intoxication or
31 substance-induced incapacitation who has threatened,
32 attempted, or inflicted physical self-harm or harm on
33 another, and is likely to inflict physical self-harm or
34 harm on another unless immediately detained, or who is
35 incapacitated by a ~~chemical~~ substance, if that person
36 cannot be taken into immediate custody under sections
37 125.75 and 125.81 because immediate access to the court
38 is not possible.

39 2. a. A peace officer who has reasonable
40 grounds to believe that the circumstances described
41 in subsection 1 are applicable may, without a
42 warrant, take or cause that person to be taken to the
43 nearest available facility referred to in section
44 125.81, subsection 2, paragraph "b" or "c". Such
45 ~~an intoxicated or incapacitated~~ a person with a
46 substance-related disorder due to intoxication or
47 substance-induced incapacitation who also demonstrates
48 a significant degree of distress or dysfunction may
49 also be delivered to a facility by someone other than
50 a peace officer upon a showing of reasonable grounds.

1 Upon delivery of the person to a facility under this
2 section, the examining physician may order treatment
3 of the person, but only to the extent necessary to
4 preserve the person's life or to appropriately control
5 the person's behavior if the behavior is likely to
6 result in physical injury to the person or others
7 if allowed to continue. The peace officer or other
8 person who delivered the person to the facility
9 shall describe the circumstances of the matter to
10 the examining physician. If the person is a peace
11 officer, the peace officer may do so either in person
12 or by written report. If the examining physician has
13 reasonable grounds to believe that the circumstances in
14 subsection 1 are applicable, the examining physician
15 shall at once communicate with the nearest available
16 magistrate as defined in section 801.4, subsection 10.
17 The magistrate shall, based upon the circumstances
18 described by the examining physician, give the
19 examining physician oral instructions either directing
20 that the person be released forthwith, or authorizing
21 the person's detention in an appropriate facility.
22 The magistrate may also give oral instructions and
23 order that the detained person be transported to an
24 appropriate facility.

25 b. If the magistrate orders that the person be
26 detained, the magistrate shall, by the close of
27 business on the next working day, file a written order
28 with the clerk in the county where it is anticipated
29 that an application may be filed under section 125.75.
30 The order may be filed by facsimile if necessary. The
31 order shall state the circumstances under which the
32 person was taken into custody or otherwise brought to
33 a facility and the grounds supporting the finding of
34 probable cause to believe that the person is a ~~chronic~~
35 ~~substance-abuser~~ person with a substance-related
36 disorder likely to result in physical injury to the
37 person or others if not detained. The order shall
38 confirm the oral order authorizing the person's
39 detention including any order given to transport the
40 person to an appropriate facility. The clerk shall
41 provide a copy of that order to the ~~chief medical~~
42 ~~officer of the facility~~ attending physician, to
43 which the person was originally taken, any subsequent
44 facility to which the person was transported, and
45 to any law enforcement department or ambulance
46 service that transported the person pursuant to the
47 magistrate's order.

48 3. ~~The chief medical officer of the facility~~
49 attending physician shall examine and may detain the
50 person pursuant to the magistrate's order for a period

1 not to exceed forty-eight hours from the time the order
2 is dated, excluding Saturdays, Sundays, and holidays,
3 unless the order is dismissed by a magistrate. The
4 facility may provide treatment which is necessary to
5 preserve the person's life or to appropriately control
6 the person's behavior if the behavior is likely to
7 result in physical injury to the person or others if
8 allowed to continue or is otherwise deemed medically
9 necessary by the ~~chief medical officer~~ attending
10 physician, but shall not otherwise provide treatment to
11 the person without the person's consent. The person
12 shall be discharged from the facility and released
13 from detention no later than the expiration of the
14 forty-eight-hour period, unless an application for
15 involuntary commitment is filed with the clerk pursuant
16 to section 125.75. The detention of a person by the
17 procedure in this section, and not in excess of the
18 period of time prescribed by this section, shall not
19 render the peace officer, attending physician, or
20 facility detaining the person liable in a criminal or
21 civil action for false arrest or false imprisonment
22 if the peace officer, physician, or facility had
23 reasonable grounds to believe that the circumstances
24 described in subsection 1 were applicable.

25 Sec. 50. Section 226.9C, subsection 2, paragraph c,
26 Code 2011, is amended to read as follows:

27 c. (1) Prior to an individual's admission for dual
28 diagnosis treatment, the individual shall have been
29 prescreened. The person performing the prescreening
30 shall be either the mental health professional, as
31 defined in section 228.1, who is contracting with the
32 county central-point-of-coordination process to provide
33 the prescreening or a mental health professional
34 with the requisite qualifications. A mental health
35 professional with the requisite qualifications shall
36 meet all of the following qualifications: is a mental
37 health professional as defined in section 228.1, is
38 a certified alcohol and drug counselor certified by
39 the nongovernmental Iowa board of substance abuse
40 certification, and is employed by or providing services
41 for a facility, as defined in section 125.2.

42 (2) Prior to an individual's admission for dual
43 diagnosis treatment, the individual shall have
44 been screened through a county's central point of
45 coordination process implemented pursuant to section
46 331.440 to determine the appropriateness of the
47 treatment.

48 Sec. 51. Section 229.1, subsection 12, Code 2011,
49 is amended to read as follows:

50 12. *"Psychiatric advanced registered nurse*

1 *practitioner* means an individual currently licensed as
2 a registered nurse under chapter 152 or 152E who holds
3 a national certification in psychiatric mental health
4 care and who is registered with the board of nursing as
5 an advanced registered nurse practitioner.

6 Sec. 52. Section 229.15, subsection 3, paragraph a,
7 Code 2011, is amended to read as follows:

8 a. A psychiatric advanced registered nurse
9 practitioner treating a patient previously hospitalized
10 under this chapter may complete periodic reports
11 pursuant to this section on the patient if the patient
12 has been recommended for treatment on an outpatient or
13 other appropriate basis pursuant to section 229.14,
14 subsection 1, paragraph "c", ~~and if a psychiatrist~~
15 ~~licensed pursuant to chapter 148 personally evaluates~~
16 ~~the patient on at least an annual basis.~~

17 Sec. 53. Section 229.21, subsection 2, Code 2011,
18 is amended to read as follows:

19 2. When an application for involuntary
20 hospitalization under this chapter or an application
21 for involuntary commitment or treatment of ~~chronic~~
22 ~~substance abusers~~ persons with substance-related
23 disorders under sections 125.75 to 125.94 is filed with
24 the clerk of the district court in any county for which
25 a judicial hospitalization referee has been appointed,
26 and no district judge, district associate judge, or
27 magistrate who is admitted to the practice of law in
28 this state is accessible, the clerk shall immediately
29 notify the referee in the manner required by section
30 229.7 or section 125.77. The referee shall discharge
31 all of the duties imposed upon the court by sections
32 229.7 to 229.22 or sections 125.75 to 125.94 in the
33 proceeding so initiated. Subject to the provisions of
34 subsection 4, orders issued by a referee, in discharge
35 of duties imposed under this section, shall have the
36 same force and effect as if ordered by a district
37 judge. However, any commitment to a facility regulated
38 and operated under chapter 135C, shall be in accordance
